Infinite Campus Parent Access

We are getting ready to open portals for Infinite Campus. This means parent access to certain areas of your child's progress. Parents who HAVE returned the census report (demographic)page will be able to receive information, directions, and access passwords to Infinite Campus when it is ready. If our records show that we have not received the "demographic" census report back for your child, you will be receiving a new one to fill out. Make the necessary changes and return the corrected version or write the word "Correct" on the form. The adjustments will be made and we hope to have this up and running soon. Thank you so much for your cooperation! Any questions, please email

dgorden@msad15.org Thank you to those who have returned theirs!

If you would like to make a donation to Caring community of Gray-New Gloucester for the holiday assistance program, please contact Donna Rand at drand5@maine.rr.com or call 657-4795.

Thank you.....

The nurses office is collecting any K-4 sweatpants, for our “loaner closet” and “Coats for Kids” is in the lobby.

Holiday Tab Alert

Aluminum ring tabs that are found on drinks, people food, pet food and any other cans- are the "sort after holiday item" for the students in Mrs. Haymon's first grade class at Memorial School. These children are doing community service for the Ronald McDonald House in Portland. Their community service consists of collecting aluminum ring tabs. The tabs may be brought to school. There is a collecting tab box in the lobby of your school. In June all tabs collected during the 2009-2010 school year will be donated to the Ronald McDonald House. The "house" sells the tabs for the price of aluminum. All money collected from the sale of tabs goes directly back into the upkeep of the Ronald McDonald House. The motto of the "house" is "the house that love built." It is a home away from home for families who need a place to stay because they have a critically ill child in an area hospital. Please help Mrs. Haymon's first graders by saving and donating aluminum ring tabs.

It's time to think of hats, mittens, scarves, snow pants, boots and heavy jackets...Our children go outside for recess if the weather is 15 degrees or higher..Gym classes are sometimes held outdoors as well...please have your children dress accordingly on gym
