Please remember to let the office know when you have any changes to telephone numbers, addresses or email.

Our Destination Imagination Teams are doing very well. They are working together coming up with their plans for presentations.

Thanks to the parents and staff that have been working with the RISC organization. The Re-Inventing Schools Coalition is working with MSAD #15 as we examine our shared vision and the use of standards in the assessment system. There will be a public meeting for parents and community members on this topic in the near future.

The H1N1 Booster Clinic went very well. Thanks to Nurse Ann and Sheila Giancola for their efforts in organizing this clinic. The second round went off without a hitch and ran smoothly throughout.

I would ask everyone to mark their calendar for March 11. This is the tentative date set by the district to bring as many community members together to discuss Shared Vision. Your input is crucial and I would like to see you there. More information will be posted in future newsletters.

A group of students is starting to organize a “bottle drop” to support the citizens of Haiti. All proceeds will be donated to the Red Cross to benefit the Haiti Relief Effort. So start saving and look for information in next weeks tote.
