Bruce Beasley, Principal – bbeasley@msad15.org

Dates to remember:

April 16th – no school

April 19th – 23rd – Vacation Week

***May 3rd – Science Fair and Book Fair (this is a new date)**

June 9th – 4th grade BarBQ in the orchard

June 10th – BarBQ rain date

The Science Fair date has been changed to May 3rd – We have received many applications from students and it should prove to be a “wonderful experience” for our kids! If you have any questions please contact: Amy Edwards at bobamye@maine.rr.com Or 657-2663

I also want to remind parents that NECAP testing is the first three weeks in October. I hope by getting this date out early that vacation plans can be organized around these dates.

The Spring NWEA test window opens on May 3rd. All 3rd and 4th grade students will take the NWEA in math and reading. The information from this assessment will help teachers as they continue to reflect on instruction and progress.

Congratulations to the Destination Imagination Teams! Mr. Terranova's team came in 2nd and Mrs. Lambert's team came in 3rd at UMO this past weekend!

One of our students, Ana Lipp, and her sister Jane (Memorial) have created a short educational video for other kids about diabetes. Their video was selected as a "Finalist" and is on YouTube. You can go to

www.youtube.com/watch?v=n4avBFN5fzY

And "vote" "Thumbs Up: I Like" button

The winner depends on how many votes they get.

Please feel free to pass this information along to family and friends so they can vote too!

Also: Ben Paquette and Ana Lipp are organizing A Ben-Ana day at Dunn School to benefit the Tour De Cure.

The idea is to provide a healthy snack (banana) to everyone. Students and staff are encouraged but not required, to make a donation towards this effort. A date will be set upon our return from vacation and published in the next Dunn Deal.

Congrats to the group of students that organized the "Bottle drop". They raised nearly \$150 for the Red Cross!
