I hope by getting this date out early that vacation plans can be organized around  
these dates.*

***A “big” thank you to all the parents that helped  
Donate food towards supper for the teachers during  
conferences...delicious..:-)***

The Spring NWEA test window opens on May 3<sup>rd</sup>. All 3<sup>rd</sup> and 4<sup>th</sup> grade students will take the NWEA in math and reading. The information from this assessment will help teachers as they continue to reflect on instruction and progress.

*Conferences are now complete. If you were unable to attend a conference you should have a copy of your child's report card in totes today. If you have not received the report card please call your child's teacher.*
