K’s started on Monday, May 3rd. This is a month long event put on by Mr. Stevenson, our PE teacher. The children walk/run K’s at recess time and count up their laps. Please have your children wear appropriate footwear and encourage drinking lots of water. We may have some “warm” days! The children are having fun!! One more week to go.....

There are a number of field trips planned over the next few weeks. A reminder that if you plan to chaperone one of these trips you must complete the volunteer packet.

The Patriot Parents are looking for a building representative for Dunn School. We need someone who might be interested in “helping” out for the rest of this school year.

Our 4th grade students will be going to the Middle School for a visit on May 27th and there is an OPEN HOUSE at the Middle School on June 3rd (this date is a change).

Library notice: All library books are due by May 28th. Students will still be able to sign them out until May 21st.

If you have any questions please email dcormier@msad15.org

Currently we only have a few volunteers to help set up, cook, and serve at our 4th grade BBQ. If you have an hour or so to help out, please contact the school. All 4th grade parents are invited to join us. We are planning to serve lunch at 12:15 with an awards event to follow. The plan is to have grilled hot dogs, chips, watermelon and water. Feel free to bring a picnic/bagged lunch if this does not appeal to you.

The last day of school: There is a field day planned for the students. Activities will be in the morning with lunch from 10:45 to 11:15 in the classrooms. **There will be a sign-up if your child would like to purchase lunch on this day.** Report cards and placement letters will go home on this last day. ***Dismissal is at 11:30.*** It is important that the children stay the morning if possible to say their goodbyes and gather all their goodies to take home.

Thanks for your cooperation!

The "Lost and Found" is soon to be lost and gone! If your child is missing articles of clothing, lunchboxes, or other items - please make sure to check the area outside the library.

The recent Book Fair and Science Fair were awesome. I would like to thank the students that participated, the judges from the High School, and the parents that volunteered.

The fourth grade students will be visiting the proposed area for the Pisgah Hill conservation Project in New Gloucester on May 28th. This is a walk through the woods so everyone should dress in appropriate shoes and clothes as well as take extra precaution against ticks. ***NO sprays can be brought to school or on the trip!***
