Principal's Notes

Dear Parents/Guardians,

Our students returned to school Monday eager to see their friends. They are focused and ready to go for the last quarter of the year. You will soon receive a letter from me regarding placement for next year for the current Kindergarten and First Graders. Dunn School will inform the families of second grade as to the process.

Our Science Fair is next Wednesday evening and we hope your child is involved. Please let us know if your child still wants to be in it. If not, please bring your family to view the projects between 5-6:30. Pizza and ice cream will be for sale.

Students enjoyed a performance of the University of New Hampshire on Wednesday.

Once again our appreciation to Patriot Parents and the fund raising done in the Fall which allows us to have these wonderful performances. Please consider participating in their Spring fund raiser of a 5K walk. See more info enclosed in totes.

Sincerely,

Donna Beeley

Kindergarten Registration Dates
